We can come by bus, by car, by bike or we can walk.

There is a boarding school. Boarders arrive at 8.00 am on Mondays and they leave at 4,50 pm on Friday. We eat at home or at school at the canteen from 12.15 to 1.45.

After school, we go home and do our homework.

The outside colours of the school are white and black; Inside, the walls are pink or yellow.

In the hall, we have a study classroom and the assistant principals' offices

The school has three floors: on the ground floor, there are the music and art rooms. On the first floor, there are the science and languages classrooms. On the second floor, there are the French, History, Maths and English classrooms.

We have a playground with benches. We have a gymnasium for indoor sports and a field for outdoor sports. There is an elevator but we can't use it.

If we want, we can join a lot of clubs like the chess club, the music club, the radio club, the book club. There is a sport association but it's not free. We can do basketball, futsal, badminton or crossfit.

At our disposal, we've got a psychologist, a careers adviser and a ULIS unit.
