

Our school is situated in Clermont, Oise, in France, next to the forest.

There are about 700 pupils in this middle school. The principal's name is Mrs Baratte and her assistant is Mr Quenehen. There are about 50 adults : teachers, supervisors, cleaning ladies...

We come to school by bus, bike, car or we walk.

The bell rings at 8.10 am and we start class at 8.15 am. We finish school at pm. Every class has a different timetable.

Unlike American schools, we have a long break so we can participate in some clubs, like the radio club, the sport clubs (you can practise swimming, basketball, badminton, gymnastics and football).

We eat lunch at school at the canteen or at home.

We have almost the same subjects as an American school: Maths, History, Music, French, English, Spanish, German, Italian, Latin, Sport, Science, Technology.

Some students sleep at the boarding school if their parents want them to stay at school. There are 25 boarders.

We have a library, lockers, a sportshall, a playground and classrooms.

We have school buses even if they aren't yellow like American school buses.

We don't wear a uniform and we don't sing the national anthem before starting school.
